CHAPTER ____

An act to amend Section 22200 of, and to add Section 22200.1 to, the Education Code, relating to the State Teachers' Retirement System.

LEGISLATIVE COUNSEL'S DIGEST

AB 885, Honda. Teachers' Retirement Board.

Under existing law, the State Teachers' Retirement System and the State Teachers' Retirement System Cash Balance Plan are administered by the 12-member Teachers' Retirement Board. Two of the members of the board must be members of the system or the plan, who are classroom teachers in kindergarten or grades 1 through 12, and another member must be a retirant of the system or the plan. All 3 of these members are appointed by the Governor for 4-year terms from a list submitted by the Superintendent of Public Instruction. Another member of the board is required to be a community college instructor with expertise in business or economics or both, and is appointed by the Governor for a 4-year term from a list submitted by the Board of Governors of the California Community Colleges. One member of the board is required to be an officer of a life insurance company and one member of the board is required to be an officer of a bank. These members are appointed by the Governor for 4-year terms, subject to confirmation by the Senate.

This bill would, instead, require that 4 members of the board be elected, at an election conducted by the board, by the members of the group to which they belong, for 4-year terms commencing upon the terms in existence on January 1, 1998. The bill would delete the requirement that the 2 members must be classroom teachers and that the community college instructor have expertise in business or economics or both. The bill would delete the requirement that 2 members must be, respectively, officers of a life insurance company and a bank and instead provide that the Governor appoint 2 additional

persons representing the public for 4-year terms, subject to Senate confirmation.

This bill would require the board to adopt regulations regarding these elections, and would exempt the regulations from the requirements of the Administrative Procedure Act.

This bill would permit the board to establish a full-time position to implement the regulations and would require costs of elections to be paid by the Teachers' Retirement Fund as appropriated in the annual Budget Act.

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature in enacting this act that the elections for positions on the Teachers' Retirement Board be conducted as cost efficiently as possible.

SEC. 2. Section 22200 of the Education Code is amended to read:

- (2) The Controller.
- (3) The Treasurer.
- (4) The Director of Finance.

(5) One person who, at the time of appointment, is a member of the governing board of a school district or a community college district. The member shall be appointed by the Governor for a four-year term from a list submitted by the Superintendent of Public Instruction.

(6) Three persons who are members of the Defined Benefit Plan or participants of the Cash Balance Plan, as follows:

(A) Two persons who, at the time of election, are active members of the system or participants of the Cash Balance Plan. These members shall be elected pursuant to regulations adopted by the board by the active members of the system or participants of the Cash

Balance Plan for four-year terms commencing upon the expiration of the terms in existence on January 1, 1998.

(B) One person who, at the time of election, is a community college instructor who shall be elected by the active community college members of the system. This member shall be elected pursuant to regulations adopted by the board, for a four-year term, commencing upon the expiration of the term in existence on January 1, 1998.

This member shall be elected pursuant to regulations adopted by the board, for a four-year term, commencing upon the expiration of the term in existence on January 1, 1998.

(8) Three persons representing the public, appointed by the Governor for terms of four years, subject to confirmation by the Senate.

(b) The term of the office of each member described in paragraphs (6) and (7) of subdivision (a) shall be adjusted so as to commence on January 1 and to expire on December 31 of the calendar year.

(c) The members of the board shall annually elect a chairperson and vice chairperson.

SEC. 3. Section 22200.1 is added to the Education Code, to read:

22200.1. (a) The board shall conduct the election of members described in paragraphs (6) and (7) of subdivision (a) of Section 22200 pursuant to regulations adopted by the board.

(b) The board shall hold special elections to fill vacancies that occur during the term of the elected members of the board. If, at the time a vacancy occurs, the unexpired term is less than two years, the new member elected to fill the vacancy shall hold office for a period equal to the remainder of the term of the vacated office plus four years.

(c) The regulations adopted by the board pursuant to this section and Section 22200 shall not be subject to Article 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(d) The regulations adopted by the board shall provide that the elections be conducted in the most cost-effective manner deemed feasible. The board, where practicable, shall consolidate election mailings with other mailings and shall address any other feasible cost-saving measures.

(e) The board may establish a full-time position, as required, to implement this section.

(f) All costs of elections shall be paid by allocations from the Teachers' Retirement Fund as appropriated for that purpose in the annual Budget Act.
